

Dear All,

Please ensure the following precautionary measures to combat against NCOVID19.

- ✚ At Work place
 - All the members of the staff are advised to sanitize their hands regularly.
 - ✓ If using soap, please ensure the hands are rubbed with soap for 20 seconds.
 - ✓ Use sanitizer with Alcohol content
 - Keep your place of business neat and clean
 - Thermal Scan of all the employees
 - Restrict the entry of visitors
 - Employees can be asked to work from home.
 - Maintain adequate distance
- ✚ Actions in case of having symptoms like fever, cold, cough & difficulty in breathing
 - Do not attend the office
 - Do not visit customer's place
 - Call us on our 24*7 help line number OR contact the nearest doctor immediately
- ✚ At Customer's place
 - Wear a mask before entering the customer's house
 - Carry hand sanitizer/liquid soap
 - Sanitize/Wash your hands with liquid soap (seek permission from the customer)
 - Greet with Namaste & DO NOT SHAKE HANDS
 - Leave the place if you have symptoms like fever, cold, cough & difficulty in breathing.

[CRC Owners are requested to arrange adequate masks & liquid soap/ hand sanitizers](#)

Please feel free in case of any queries, suggestions, clarifications!

Be Healthy, Stay Safe!

With Warm Regards,

Team Adonis
